

Broomstick - 2 Tage 2 Nächte Maxi Sailing

Die Maxi-Yacht Broomstick ist bis zum Jahr 2000 Regatten gesegelt und wurde nun für komfortable Segeltrips adaptiert. Es handelt sich um ein langes, schmales Boot mit Doppelkabinen und Einzel-Schlafkojen.

Reiseverlauf

Tag 1 + 2: Whitsunday Sailing Adventure

You will sail around many of the Whitsundays islands during your 2 day and 2 night adventure. As a maxi yacht, Boomerang is a performance sailer which means you will be travelling around at speed all with the help of wind power. Guests are able to give the crew a hand and help set sail, raise a sheet and have a go at the captain's wheel. We visit the famous Whitehaven Beach, take your time to explore the magnificent white sandy Beach and make your way to the world-famous Hill Inlet Lookout. Here you can get photographs of Whitehaven Beach to show your friends and family back home!

We also head to the Northern end of the Whitsundays, where the best fringing coral reefs in the Whitsundays are found around Hayman Island, Langford Reef and Mantaray Bay. When you are not beach-hopping, you can do some snorkelling at two locations with fringing coral reefs which extend right from the edge of the Islands.
