

6 Day Go Wild Package ex Melbourne

This Tour is a combination out of 3 Tours

1. Tour: 3 Day Great Ocean Road and Grampians

Day 1: Melbourne - Princetown

We begin the ultimate road trip, cruising towards the Great Ocean Road and stop to watch surfers in action at famed beaches such as Bells Beach and Torquay (home of surf brands Rip Curl and Quiksilver). We also visit artistic beachside villages of Apollo Bay and Lorne. We'll stop at the historical section of the Great Ocean Road that was carved through cliffs by returned World War I servicemen. We take a walk through the Great Otway National Park, home to some of the world's oldest temperate rainforest. There's no better place to finish the day than the famed Twelve Apostles. This spectacular collection of limestone stacks is best appreciated at sunset from the boardwalk. The next morning you will have the opportunity to view it from the skies in a helicopter (at extra cost). Tonight, we sleep in dormitory style accommodation in the dormitory rooms of a backpacker's hostel on the Great Ocean Road.

Meal(s) included: Lunch, Dinner

Day 2: Princetown - Halls Gap

We continue along the Great Ocean Road, stopping at several extraordinary rock formations along the Shipwreck Coast, such as the Bay of Martyrs, London Bridge and Loch Ard Gorge. We enjoy lunch at Tower Hill Reserve, the site of a dormant volcano, lake, wetlands and habitat to lots of wildlife: emus, koalas, kangaroos, possums, echidnas and many types of birds. We enter the Grampians National Park in the afternoon, where we visit the Brambuk Cultural Centre to learn about local Aboriginal history, before taking a walk (40 minutes) to MacKenzie Falls. Before sunset when the local wildlife, such as wallabies, kangaroos and kookaburras come out to play, we walk (an easy hour) to The Balconies, which provides a magnificent viewpoint and photo opportunity of the surrounding ranges and valleys. Tonight we sleep in shared wood cabin accommodation, with the mountains towering around us.

Day 3: Halls Gap - Adelaide

2. Tour: 2 Day Kangaroo Island Wildlife Adventure

Day 4: Adelaide to Kangaroo Island - Seal Bay

From our comfortable bus, you'll appreciate the fantastic coastal views as we head towards Kangaroo Island along the Fleurieu Peninsula. After driving for 90 minutes, we hop aboard the ferry for the 45-minute cruise to the picturesque beach side village of Penneshaw, where we stock up on supplies. Our first stop will be at Pennington bay for a fantastic photo opportunity on one of the most scenic Kangaroo Island beaches, and who knows, if we are lucky we might spot a few dolphins! The highlight for many is the guided tour along the pure-white beach of Seal Bay, where you can walk within metres of countless Australian Sea Lions snoozing on the sand or frolicking in the surf. Or maybe your favourite part will be the Flinders Chase National Park in the far west of the island, which hosts two extraordinary geological features: the Remarkable Rocks and the Admirals Arch, which is also home to a colony of New Zealand Fur Seals. Our dormitory style accommodation is located within a farm on the edge of the national park. After dinner, we sit around the campfire swapping stories and maybe spotting wildlife, such as kangaroos and possums.

Meal(s) included: Lunch, Dinner

Day 5: Flinders Chase National Park

After breakfast, our wildlife adventure continues! In the cooler morning weather, we can hike one of the many walking trails on the island where you can watch kangaroos hopping about the bush, koalas nesting in their favourite gum trees and possibly spot a shy echidna shuffling past. In the summer months, we spend some time swimming and snorkelling in search of the elusive leafy sea dragon which resides off the coast. You can laze about Vivonne Bay, Hanson Bay, Stokes Bay or one of the other superb beach spots with their pristine sand and clear water, or alternatively you can follow the nearby trail along the beach and river to search for more wildlife. The action packed afternoon starts with sand-boarding down the Little Sahara dunes. We leisurely paddle with kayaks along the Harriet River, but if you do crave something more adventurous, quad-biking along rocky paths through dense scrub is an optional extra. From Penneshaw, we reluctantly take the ferry to Cape Jervis for the drive back to Adelaide to arrive at around 8:30pm.

3. Tour: 1 Day Barossa Valley

Day 6: Adelaide to the Barossa Valley and return

In Williamstown, the gateway to the Barossa, we visit the astonishing Whispering Wall*. As tall as a 9-storey building and constructed in a perfect semi-circle over 110 years ago, it's possible to hear someone whisper from one end of the dam wall to the other end 140 metres away. As the vine leaves replace the gum trees, we enter the largest and most celebrated wine region in Australia. Our first stop is the world-famous Jacob's Creek, the largest wine exporter in the valley. A local guide will provide an informative explanation of their wines and offer a selection of their famed shiraz, merlot and rosé for tasting. Our next stop, Kies, is a family-owned boutique winery, where the setting is quaint and the service is personal. Their exquisite wines are not available for sale anywhere else in the world. For lunch we'll head to Saltrams for gourmet pizzas. You'll also get the chance to

do a cellar door tour and taste a selection of their wines. After lunch we'll slowly make our way to Wolf Blass. This world renowned winery created in 1966 is nowadays one of the world's most awarded wine brands. We will get the chance to taste their wide range of wines before we pop in our fourth winery: Lambert Estate a family owned business that made their name thanks to their Chocolate port! Finally we'll stop by Menglers Hill lookout for superb view of the Barossa Valley before heading back to Adelaide, arriving at approximately 5pm.
