Itinerary

Day 1: Gulyumbi Cultural Cruise, Ubirr Art Site, Hawk Dreaming Wilderness Lodge

First stop today is Ubirr, situated in the north of Kakadu National Park. Covering just under 20,000 square kilometres, Kakadu National Park is Australia's largest National Park and home to Aboriginal people for over 65,000 years. The walks at Ubirr feature several impressive art sites that lead to a lookout over the Nadab Floodplain. Traditionally people camped beneath Ubirr's rocky shelters and used the plants and animals nearby for food, tools and medicine. With much of the art featuring fish, turtles, goanna and other important animals, it is considered among the best in the world, with great examples of X-ray art and contact art from the time when Aboriginal people first encountered Europeans. After enjoying a picnic lunch, embark on the cultural experience that is Gulyumbi Cultural Cruises. Explore upstream of the East Alligator River with your Aboriginal guide and gain an insight into the culture, local mythology, the rivers abundant food chain as well as bush survival skills. Later, we check into Hawk Dreaming Wilderness Lodge which will be our accommodation for this evening located in a remote and restricted area of Kakadu National Park. With significant cultural importance to the local Aboriginal people living nearby, the area in which the lodge is located is a registered sacred site. The sandstone outliers host significant rock art dating back many thousands of years. Tonight, enjoy dinner at the lodge with your fellow travellers before retiring to your comfortable tented cabins complete with bathroom facilities.

This morning we have breakfast at the resort before continuing on our journey through Kakadu National Park en-route to Katherine and Nitmiluk Gorge. Developed by the Aboriginal traditional owners of Kakadu, the centre mixes contemporary techniques to cover various subjects, ranging from personal histories to bush tucker. Afterwards, visit Gunlom Falls, made famous by the movie Crocodile Dundee. With its cascading waters, pristine plunge pools and a natural infinity pool, Gunlom offers a short, steep walk to the top of the falls where you will be rewarded with incredible sweeping views of the southern hills and ridges of Kakadu and the Arnhem Land Escarpment. For those wanting a less strenuous walk, enjoy the main pool at the base of the falls before enjoying a BBQ lunch prepared by your guide. Continuing on to the Katherine region, check into the gorgeous Cicada Lodge for the evening where we will enjoy sunset drinks and canapes before dinner at the lodge.
